## \* REDUCED RATES

As per resolution nr 24 of 10 February 2023, the non-cumulative reduction of 20% on the full rate is applicable to the following categories:

- **School groups** from other Italian cities or from abroad providing a confirmation issued by the school;
- **Groups staying in one of the hotels located in the Municipality of Lucca** providing booking reservation confirmed by the hotel.
- **Groups consuming their lunch or dinner, by food and beverage services located in the Municipality of Lucca**, providing booking reservation confirmed by the food and beverage service.
- **Groups participating in** political, military, trade union, religious, sporting and theatrical events, sponsored by the Municipality of Lucca, providing the documentation of the sponsorship.

**The reduction will be applied upon request to be sent at least three days before arrival:** (online by the website <https://ines.metrosl.it>)

The company Metro s.r.l., to verify the requirements to obtain the 20% reduction, has the right to request the relevant documentation and, in the event of a lack of right qualifications, applies the full rate.

Possibility of purchasing in a single solution a ticket valid up to a maximum of 7 days which provides for the application for the first three days of the full rate and starting from the fourth day the application of 20% discount.
